

Changes in FAD Report effective Fall 2014

The Chancellor's Office has been converting the APDB reports to a new system, which has resulted in a number of changes in the appearance and content of faculty entries on the report.

1. Department Summary pages have moved to the end of the report.
 - For Fall 2014, summaries begin after page 169 of the FAD report.
 - Page numbering for summary pages restarts with page number 1.

2. To improve readability, the new version adds a detail column header line ("COURSE ID SECT HEGIS LVL...etc.") at the top of each "sections taught" faculty detail block.

4. Numeric Space Types have been replaced with the following equivalent title acronyms: "LECT" (lecture), "LAB" (lab), "NCAP" (non-capacity), "MM" (multi-media), "ASYN" & "SYNC". The latter two are new values that will print when appropriate for Asynchronous and Synchronous instruction.

5. Team taught sections are identified by TTF <1.000, without showing a row for each instructor who is part of the "team" teaching the course section.

6. Course sections only print in the primary department page for those with split appointments.

- The split appointment faculty member's detail area on the primary dept page shows the following message: "NOTE: D-WTU, I-WTU & T-WTU VALUES IMMEDIATELY BELOW DO NOT INCLUDE CONTRIBUTIONS FROM ASSIGN TIME ACTIVITIES WITHIN 2ND & 3RD DEPARTMENTS. ACTUAL VALUES OVER ALL DEPT APPOINTMENTS ARE: D-WTU=#, I-WTU= #, T-WTU=#", where the # signs are replaced with actual total WTUs for the instructor.

7. Secondary appointments do not print course sections

- Secondary listings show the following message: "**** SEE PRIMARY SCHOOL/DEPT (nn/nnn) DETAIL PAGE FOR LIST OF ALL SECTIONS TAUGHT BY THIS SPLIT APPT FACULTY ****", where "nn" and "nnn" are the primary appt school & dept codes.
- Only the TSF, OSF, IAF (2nd appt only), IFF (2nd appt), any Administrative Level title associated with the 2nd appt, any assigned time activity (title & WTU) associated with 2nd appt, and the tag "SPLIT APPT" followed by the codes of primary appointment's school & dept are printed on the secondary appointment.
