Subject: Background Check Policy

Summary

California State University's existing Background Check Policy has been revised and updated/clarified with the following major policy changes:

- Student workers and volunteers are only required to undergo a background check if it is required by law.
- Employment verification was changed from verifying past ten (10) years of employment to relevant employment from the past five (5) years.
- CSU may conduct periodic sexual offender registry checks.
- The CSU is prohibited from subscribing to subsequent criminal records updates unless required by law.
- Credit checks may be required for employees only if they meet the credit check requirements *and* the campus determines it to be job-related.
- The definition involving FICA exemption for student workers was modified to CSU students who are appointed in non-represented/represented student classifications, where the educational relationship with the university is predominant.
- Any employee or volunteer with direct contact with minor children must undergo a background check; CSU policy requires fingerprinting for these individuals.
- Employees of auxiliaries and outside entities are required to certify that employees in sensitive positions have completed the appropriate background checks.
- "Student Activities" (e.g., clubs, service learning, community engagement, internships, field trips) are not included under this policy.
- One-time services (e.g., public talks, guest lectures, conference presentations) are exempt from the background check requirement.
- The Sensitive Positions grid was updated.
- Campuses must consider factors such as frequency, nature, duration of sensitive duties, and supervision in applying the Sensitive Positions grid.
- The CSU will not consider a conviction unless the candidate was convicted of the crime, released from prison or released from parole within seven (7) years before the assessment.
- Campuses may not conduct credit checks if employees have regular access to less than \$10,000 cash.

Implementation:

The responsibility for implementing background checks is delegated to the Presidents. This HR Letter should be read in its entirety by individuals responsible for administering campus background check programs and procedures. Campuses must

Policy Statement

The California State University (CSU) is committed to protecting the health, well-being, and safety of its employees (including student workers), students, volunteers, and guests. Protection of the campus community and its assets can be best achieved when risk and issues of compliance are well managed. To accomplish these goals, the Background Check Policy was created to provide policy directives and guidance in the administration of background check programs. This policy requires background checks to be conducted on all final candidates for new hire. For the purposes of this policy, current CSU employees are required to undergo background checks if under voluntary consideration for a position in which a background check is required by law or for a sensitive position (with limited exceptions). Sensitive positions are those designated by the CSU as requiring heightened scrutiny of individuals based on the potential for harm, concerns for safety and security, or risk of financial loss to the CSU community. Student workers and volunteers are required to have background checks if they perform duties that would require a background check by law. Independent contractors, consultants, and auxiliaries that operate under the CSU name or on CSU property are responsible for ensuring that their employees have had background checks if they perform duties that the CSU considers to be sensitive or that would require a background check by law.

The CSU recognizes the need to balance its responsibility for conducting background checks with the need to protect individual privacy. Federal law, state law, and University policy recognize the individual's right to privacy and restrict the use of information obtained through background checks. The campuses are responsible for maintaining the confidentiality of the background check results and ensure they are properly retained and destroyed as appropriate. Background check information cannot be used to discriminate against any individual on the basis of race, religion, ancestry, color, sex, sexual orientation, gender identity, age, physical disability, mental disability, veteran status, marital status, pregnancy, medical condition, genetic information, and/or national origin.

I. OVERVIEW

Background checks are required for all final candidate(s) considered for hire. Individuals who are currently employed in positions in which a background check is required by law, are required to undergo background checks. Current employees are also subject to background checks if they are voluntarily under consideration for new positions that the CSU has designated as sensitive. This includes all temporary, probationary, intermittent, and at-will employees. Background checks are not required for involuntary reassignments or reclassifications or other employment changes that do not result in the employee moving into a different position. Sensitive positions are those designated by the CSU as requiring heightened scrutiny of individuals holding the position, based on potential for harm to children, concerns for the safety and security of people, animals, or property, or heightened risk of financial loss to the CSU or individuals in the university community.

Student workers and volunteers must be background checked only if they are performing work in which a background check is required by law. Consultants, independent contractors, and employees of auxiliaries or outside entities must undergo background checks if required by law or if the work they will be performing meets the CSU definition of "sensitive". In addition to the above requirements, background checks are required for all individuals (new hires, current employees, volunteers, consultants, and the employees of auxiliaries, outside entities and independent contractors) who perform work involving regular or direct contact with minor children, including at CSU-hosted recreational camps.

Campuses shall ensure that all background checks are conducted in compliance with applicable federal and state statutes, and that the confidentiality of all background check information is maintained to the extent permitted by law. The types of background checks to be conducted are set forth in this policy and are based on the nature of the position. Unless otherwise specified, background checks required for all positions include employment verification, education verification, reference checks, and criminal records checks. If job related, additional checks, including credit report history checks, motor vehicle records/licensing checks, sex offender registry checks and/or professional licensing/credential verification, may also be initiated as a part of the selection process. Job postings for positions that require background checks shall specifically state the requirement.

The campus President determines the appropriate entity to conduct background checks. If a campus conducts its own background checks, it must comply with the California Information Practices Act (IPA), Civil Code § 1798, *et seq.* If a campus uses a third party agency to conduct background checks, it must comply with the Federal Fair Credit Reporting Act (FCRA) 15 USC § 1681 *et seq.* and the California Investigative Consumer Reporting Agencies Act (ICRA) Civil Code § 1785 *et seq.* See Section VI (Administration of Background Checks) for more details. A third party agency has been retained on a systemwide basis in efforts to afford systemwide economies and ease of administration; this service is optional to the campuses.

II. TYPES OF BACKGROUND CHECKS

Depending on the status of the applicant (new hire or rehire) and the nature of the position, one or more of the following background checks will be conducted.

A. Required Background Checks

1. Employment Verification

Employment relevant to the position will be verified for the previous five (5) years. Campuses may elect to verify employment beyond five years at their discretion.

2. Education Verification

The campus will verify all educational requirements as appropriate to the position, which may include the high school diploma or General Education Development (GED) certificate, and all post-secondary degrees. Official transcripts may be required.

3. Reference Checks

The campus will contact current and former employers with a standardized inquiry to verify the applicant's work history and skills. The campus may send an inquiry to the applicant's current employer if the applicant specifically consents, or if an offer is made on such condition.

4. Criminal Records Checks

The campus will perform a criminal records check or will have a third party agency conduct this check. The CSU shall not subscribe to subsequent criminal records updates on applicants or employees, except as required by law.

5. Fingerprints

Fingerprinting is required for all employees and volunteers who have direct contact with minor children in a recreational program or camp operated by the CSU or on CSU property.

B. Checks That May Be Done if Job-Related

1. Credit Report History Check

Credit checks are not required for any candidate, unless CA Labor Code § 1024.5 authorizes a credit check for the position and the campus determines it to be job-related, the campus may obtain and review the candidate's credit report. The campus' review

will comply with the requirements of the Consumer Credit Reporting Agencies Act (CCRAA) (refer to Attachment D1 for more details).

2. Motor Vehicle Records/Licensing Check

The campus will verify that applicants have a valid California or other State driver's license for employees who drive as a part of their university duties. The license must be appropriate to the vehicle operated (automobile, commercial vehicle, machinery or equipment). For positions that require employees to routinely transport students, faculty and/or staff, the campus may require the applicants to authorize the Department of Motor Vehicles to provide a copy of their past driving record. The CSU may require that employees authorize the campus to obtain periodic updates of their driving records.

3. State/National Sexual Offender Registry Check

For all employment positions with regular or direct contact with minors, the campus will verify if applicants have been included in any state or federal sexual offender registry. Campuses may access records from the Megan's Law website (<http://www.meganslaw.ca.gov/>) to conduct a California state sexual offender registry check. For a national sexual offender registry search, campuses may access the U.S. Department of Justice's website (www.nsopr.gov) and/or the Federal Bureau of Investigation's website (www.fbi.gov/scams-safety/registry). CSU may conduct periodic sexual offender registry checks.

4. Professional Licensing, Certification, and/or Credential Verification

The campus will verify the applicant's professional licenses, certifications, and/or credentials to ensure that they are current and valid for practice. The campus will also assess if any disciplinary action(s) have been taken against the applicant through the licensing board or other appropriate source.

III. PERSONS SUBJECT TO BACKGROUND CHECK REQUIREMENTS

A. New Hires

Effective with this policy, the CSU will conduct thorough background checks for all newly hired employees. This includes all temporary, probationary, intermittent, and at-will employees. Any current CSU employee who transfers from one campus to another will be considered a new hire. Background checks for all final candidate(s) considered for new hire will include employment verification, education verification, reference checks, and a criminal records check.

B. Rehires

Any former employee (including a rehired annuitant and temporary faculty member) who is re-appointed to a CSU position after a break in service of twelve (12) months or more and who has not had a CSU background check within the past 12 months on the same campus will be subject to background check requirements appropriate to the new position.

C. Current Employees Who Must Undergo Background Checks

Individuals who are under voluntary consideration for positions in which a background check is required by law, or who are under voluntary consideration for positions that the CSU has designated as sensitive are required to undergo background checks. This provision applies to current employees unless they have successfully completed a CSU background check within the past 12 months on the same campus.

Positions in which background checks are currently required by law include, but are not limited to the following:

- Sworn CSU Police Personnel (California Government Code §1029 and 1031)
- Police Officer Cadets (California Government Code §1029 and 1031)
- Police Dispatchers (Commission Regulation 1959)
- Positions with direct contact with minor children at a camp operated by the CSU (Education Code §10911.5)
- Positions with access to stored criminal offender record information (11 CCR §703 and 11 CCR § 707)
- Positions with access to patients, drugs or medication (California Labor Code § 432.7)

The background check requirement will also apply to current CSU employees in positions for which new laws require such background checks.

A guide to what is considered a sensitive position can be found in Section V of this document. Sensitive positions include employees who have access to Level 1 information assets (Level 1 data). For more information, visit the Integrated CSU Administrative Manual's Information Security Policy at <http://www.calstate.edu/icsuam/sections/8000/8030.0.shtml> and/or Information Security Management's Information Security Data Classification Policy at https://csyou.calstate.edu/Policies/icsuam/Documents/8000/8065_FINAL_DRAFT_Data_Classification_CW_V4.pdf

D. Student Workers Who Must Undergo Background Checks

Student workers are CSU students appointed in CSU non-represented and/or represented student classifications. Their educational relationship with the university is predominant. The CSU is required to conduct a background check on student workers only if they are being considered for a position in which a background check is required by law. These student workers will be required to have background checks if they have not had checks within the past 12 months on the same campus.

E. Employees, Volunteers, and Consultants Who Work at CSU-Hosted Recreational Camps and Clinics On or Off Campus

In an effort to provide the safest possible environment for minor children, the CSU will conduct a background check, including a criminal records check and sexual offender

registry check for all CSU employees, volunteers, and consultants who perform work involving direct contact with minor children at CSU-hosted recreational camps that are operated by the CSU or on CSU property, a CSU auxiliary, or by an outside entity. The term “recreational” includes, but is not limited to, sports, dance, academic, and other recreational camps or clinics for minor children hosted by the CSU. As part of the agreement to operate on CSU property or under the CSU name, outside entities are responsible for ensuring that the appropriate background checks are completed for its volunteers and employees. The CSU may provide background check services for a fee; otherwise these volunteers and consultants must provide confirmation of completed and cleared background checks.

The Education Code § 10911.5 requires an employer to fingerprint any employee who will have direct contact with minor children in a recreational program and to submit the fingerprints to the Department of Justice. CSU Policy requires fingerprinting for any employee or volunteer who will have direct contact with minor children in a recreational program or camp operated by the CSU or on CSU property.

Bargaining unit employees who have worked in the past or who are currently working with camps and/or clinics on the campus (e.g., youth activities) are subject to this requirement unless they have successfully completed a criminal records check and sexual offender registry check within the past 12 months on the same campus.

F. Employees of Auxiliaries and Outside Entities

It is the campus’ responsibility to ensure that the HR policy requirement to conduct background checks is enforced for individuals employed by auxiliaries and other entities that operate programs on CSU premises. The CSU requires auxiliaries and outside entities that employ individuals in positions who are subject to legal background check requirements and those in positions defined as sensitive by CSU policy to certify that such individuals have completed appropriate background checks. In addition, as described in Section III. E., auxiliaries and outside entities that operate recreational camps or clinics on CSU property or under the CSU name must ensure that all individuals who perform work in such camps undergo appropriate background checks. The CSU may provide background check services for a fee; otherwise these auxiliaries and outside entities must provide confirmation of completed and cleared background checks.

G. Employees of Independent Contractors

Employees of independent contractors are subject to CSU background check requirements if they are in sensitive positions or perform duties where a background check is required by law. As part of the agreement to operate under the CSU name or on CSU property, independent contractors are responsible for attesting that the appropriate background checks have been completed. The CSU may provide background check services for a fee; otherwise these outside entities must provide confirmation of completed and cleared background checks.

For administration and/or guidelines pertaining to background check requirements for independent contractors, please refer to the Integrated CSU Administrative Manual (ICSUAM) at <http://www.calstate.edu/icsuam>, and contact your respective contracts and procurement department.

H. Police Personnel

State University Police Association (SUPA) employees are governed by this section only. Selection of CSU police personnel, including sworn police personnel and police officer cadets, as well as background check requirements are addressed in CSU's Selection of CSU Police Personnel and Police Officer Testing Policy located under Public Safety policies at <https://csyou.calstate.edu/Policies/HRPolicies/Forms/Default.aspx>. The California Commission on Peace Officer Standards and Training (P.O.S.T.) sets background check requirements for Police Dispatchers. For more information, visit <http://www.post.ca.gov/overview-selection-standards.aspx>.

I. Refusal to Undergo a Required Background Check

If a new hire or current employee who is required to undergo a background check refuses to do so, management reserves the right to disqualify the person from consideration. In the case of a current employee, a refusal to undergo a background check as required by this policy may result in disciplinary action up to and including dismissal.

IV. PERSONS EXEMPT FROM BACKGROUND CHECK REQUIREMENTS

A. Current Employees

Current employees of the CSU are exempt from the requirement for background checks, unless under voluntary consideration for a position in which a background check is required by law or for a position that has been designated as sensitive. Employees who are given the opportunity to be appointed to a sensitive position that requires a background check may decline the opportunity.

B. Student Workers

A student worker is exempt from the requirement for a background check, unless being considered for a position in which a background check is required by law. If that is the case, only the specific checks required by law must be performed.

C. Student Activities

Students participating in activities associated with service learning, community engagement, student clubs, student government, internships, field trips, and other similar curricular or co-curricular activities are subject to separate regulations and policies and are not included under this policy.

D. Faculty Participants in Faculty Early Retirement Program (FERP)

Participants who enter the Faculty Early Retirement Program are not subject to background check requirements for the duration of the FERP appointment, unless they are moved into a sensitive position that would otherwise require a background check.

E. Employees Re-appointed to the Same Class & Campus Within Twelve (12) Months

Former employees who are re-appointed to the same CSU position at the same campus within twelve (12) months after the end of the previous appointment shall not be treated as a rehire as defined under Section III. B. (“Rehires”) and therefore will not be required to undergo a background check.

F. Volunteers

CSU volunteers are exempt from background checks unless performing duties for which a background check is required by law, or as described in Section III. E. above. If that is the case, only the specific checks required by law must be performed.

V. SENSITIVE POSITIONS

Sensitive positions are designated by the CSU as requiring heightened scrutiny of individuals holding the position, based on potential for harm to children, concerns for the safety and security of the people, animals, or property, or heightened risk of financial loss to the CSU or individuals in the university community. Whether a CSU position should be considered sensitive is determined by the duties and responsibilities of the position and not the job title or classification. The campus President is responsible for determining which specific positions at the campus fall into these categories and, if so, what the minimum background check requirements shall be.

The posted position description shall state that the position has been designated to be a sensitive position. In addition to identifying any specific background checks all posted position descriptions for sensitive positions should include an identifier (e.g., checkbox) indicating whether or not the position will have access to Level 1 data.

The table below provides information regarding key duties and responsibilities associated with sensitive positions. In some cases, candidates for those positions must undergo additional types of job-related background checks beyond those required of all new employees. **The list of positions and tasks is illustrative and is not exhaustive.**

In applying this information, campuses must consider factors such as the frequency, nature, and duration of potentially sensitive duties as well as level of supervision. For example, a faculty member’s interactions with students in the classroom or during office hour settings do not constitute *responsibility* for the care, safety, and security of people; therefore, these activities do not make their positions “sensitive.” Likewise, incidental contact with college students who are minors during classes or office hours do not by itself make a faculty position “sensitive.” However, a background check is appropriate when a major portion of the faculty member’s responsibilities involve working directly with minor populations.

In addition, individuals who provide one-time services (e.g., public talks, guest lectures, conference presentations, workshop facilitations) are exempt from the background check requirement. These activities are typically non-sensitive and provide low levels of risk to the organization.

VI. ADMINISTRATION OF BACKGROUND CHECKS

A. Certification of Information on CSU Application

The campus should review the information provided on the CSU application to determine that it is accurate and does not disqualify the applicant from employment. [HR Letter 2006-03](#) establishes the information that must be obtained from each applicant prior to an offer of employment. The applicant is required to certify that the information provided in the official employment application is true and correct. Misrepresentation, falsification, or omission of facts provided to the CSU may be considered cause for rescinding an offer of employment, termination of employment, and/or denial of consideration for future employment.

As a reminder, [HR 2014-03](#) and [Supplement #1](#) prohibit campuses from asking a job applicant (including one applying for a student worker position) about his/her criminal conviction history until it has been determined that the applicant has met the minimum qualifications of the job. Persons hired through or for employment in campus police departments (e.g., police officers, dispatchers, Community Service Officers) are exempt from this requirement. For information relating to the elimination of criminal history questions from CSU initial job applications, refer to [HR/Appointments 2014-01](#).

⁴ Motor Vehicle Records/Licensing check is required

B. Pre-Appointment Completion of Background Checks

The campus will initiate background checks on the final candidate(s) before making an offer of employment. The offer of employment must clearly state that the appointment is contingent upon successful completion of the background check, and may be rescinded if the background check reveals disqualifying information and/or it is discovered that the candidate knowingly withheld or falsified information. Except as noted in Section VI. E. below, all background checks must be completed before an appointment is finalized and the candidate, including one who is a current employee, begins work in the new position.

C. Pre-Appointment Completion of Criminal Records Checks

The criminal records check should be initiated and completed before offering an individual a CSU position. If circumstances require that an offer be made before the completion of the criminal records check, the offer must be in writing, state that it is contingent upon the successful completion of a criminal records check, and that the offer may be rescinded if the records check reveals disqualifying information and/or it is discovered that the candidate knowingly withheld or falsified information. The candidate, including one who is a current employee, may not start work in the new position until the results of the criminal records check are received and reviewed.

D. Communication

Job descriptions should reference the background check requirements in the qualifications. All advertisements, notices, and postings for positions that require background check must also state:

A background check (including a criminal records check) must be completed satisfactorily before any candidate can be offered a position with the CSU. Failure to satisfactorily complete the background check may affect the application status of applicants or continued employment of current CSU employees who apply for the position.

E. Limited Exception to Completion of Background Checks Prior to Beginning Work

The Chancellor, President, or his/her designee may authorize new faculty members to begin work before the background check is completed only in those limited circumstances where university operations would be adversely affected because it would not be otherwise possible to offer a class to students. The offer of employment must be in writing and state that it is contingent upon the completion of a satisfactory background check and may be rescinded if the background check reveals disqualifying information and/or it was discovered that the candidate knowingly withheld or falsified information. Such an exception will not be permitted where the position is one in which a background check is required by law or is designated as sensitive.

F. Notice and Information Pursuant to Information Practices Act (IPA)

Campuses that conduct their own background checks on applicants and/or utilize Live Scan are subject to the Information Practices Act (IPA). Pursuant to the California IPA (Civil Code, § 1798 *et seq.*), campuses must give notice to the applicants/employees of its intention to obtain background check information. The notice must inform the applicants of their right to request a copy of any information obtained from the background check. Campuses should use a form like Attachment D2 for this purpose. Anyone who refuses to sign the request for information to conduct the background check will be eliminated from further consideration.

G. Notice and Information Pursuant to Fair Credit Reporting Act (FCRA) and Investigative Consumer Reporting Agencies Act (ICRA)

Campuses that utilize a third party agency (e.g., the systemwide background check vendor) are subject to the Federal Fair Credit Reporting Act (FCRA) and the California Investigative Consumer Reporting Agencies Act (ICRA). Pursuant to the Federal FCRA (15 U.S.C. § 1581 *et seq.*) and the California ICRA (CA Civil Code § 1760 *et seq.*) the applicant is entitled to receive a copy of the investigative consumer report within three (3) business days of the date it was received by the CSU. The disclosure requirements and forms are provided in Attachment D3, D4, and D5.

VII. GUIDELINES FOR CONDUCTING CRIMINAL RECORDS CHECKS

A. Conducting Criminal Records Checks

The cost of the criminal records check will be borne by the campus, not the employee or applicant. A criminal records search can be conducted on a state or national basis; the latter is appropriate if the applicant lived out of state. A national search may be a longer process, and will require the campus to plan accordingly. Criminal records checks for foreign nationals will be addressed on a case-by-case basis.

The CSU will not consider a conviction unless the candidate was convicted of the crime, released from prison or released from parole within seven (7) years before the assessment. An employer may only consider felony and misdemeanor convictions, active arrests or pending criminal cases (where the candidate is the subject of a current warrant for arrest or is awaiting trial on criminal charges). A conviction includes a plea, verdict, or finding of guilt, regardless of whether a sentence was imposed by the court, unless otherwise excepted by law.

California law prohibits employers: (1) from asking about an arrest or detention that did not result in a conviction (Labor Code § 432.7(a)) and (2) from considering convictions for certain minor marijuana-related offenses after two years from the date of conviction (Labor Code § 432.8). Additionally, the CSU will not consider a plea or conviction that has been expunged, judicially dismissed or ordered sealed, pursuant to Labor Code § 432.7, unless otherwise required by law.

The CSU shall not subscribe to subsequent criminal records updates on applicants or employees, except as required by law.

B. Options for Conducting Criminal Records Checks

A campus may choose either to perform its own criminal records checks or to use a third party vendor to conduct the checks. Campuses that use a third party vendor may choose their own vendor or use the systemwide background check vendor to conduct criminal records checks. Campuses performing their own checks may use Live Scan, an automated process available through the California Department of Justice (CDOJ) that digitally scans and compares fingerprints to the state criminal records database of the CDOJ and/or the federal criminal records data base of the National Crime Information Center (NCIC).

C. Authorization and Disclosure Requirements for Criminal Records Checks

For positions in which criminal records checks are required, the applicant for the position must authorize the criminal records check in writing, using the CSU-provided form. Specific forms used will depend on whether campuses are conducting their own criminal records check, or if they are using a third party. If campuses use a third party vendor to conduct the criminal records checks, the employee authorization provisions of the FCRA and the ICRA (see Attachments D3 and D4) are applicable. When using Live Scan, the employee authorization provisions of the Fair Credit Reporting Act (FCRA) and the Investigative Consumer Reporting Agencies Act (ICRA) are not applicable. Campuses that conduct their own checks and/or use Live Scan must comply with the employee authorization provisions of IPA (see Attachment D2). If a campus uses the systemwide vendor for background checks, the vendor will assist the campus in complying with FCRA, ICRA and/or IPA.

D. Required Procedures

Campus Human Resources and/or Academic Personnel departments will develop procedures to ensure that the candidate receives the appropriate forms authorizing the criminal records check and is provided with all notices required by law.

E. Confidentiality

The campus will maintain the confidentiality of criminal record check results, unless otherwise required by law. Only the appropriate HR personnel, the background check coordinator, decision maker(s), and records custodian will be notified of the specific results of the criminal records check. The hiring department and current department of the applicant/employee (if applicable) will not be notified of the specific results of the criminal records check. The criminal records check results are confidential and will be kept by the designated custodian of records in a location that is secure and separate from the employee's official personnel file.

F. Notice and Information Regarding the Criminal Offender Record Information (CORI)

The CORI is a record of all criminal court appearances for a particular individual, including arrests, convictions, dismissals, and serious violations. If the campus decides to use a third party to conduct a criminal records check and adverse action is taken based on the results of the investigation, the FCRA requires that the campus must provide the applicants with a copy of their CORI and disclose to the applicant a summary containing the nature and substance of the report on which the adverse action was based.

If there is a dispute about the results of the CORI, the campus is required to provide the applicant with information about the criminal records check appeal procedure. More details about pre-adverse and adverse action notices and forms are provided in Attachment B and Attachment D7, respectively.

For all other applicants, the campus will provide a copy of an applicant's CORI to him/her upon request. The campus should inform the applicant that the CORI may not be submitted to another agency; it is only for the employee's own record.

VIII. GUIDELINES FOR CONSIDERING ADVERSE CRIMINAL RECORDS CHECK RESULTS

A felony or misdemeanor conviction that is job-related may disqualify a candidate from employment and may disqualify a current employee from assuming a new position. Once the results of the criminal records check are obtained, the campus human resources or faculty affairs department, as appropriate, determines whether the results of the background check should disqualify the candidate from consideration for the position for which he/she applied. More information about considering adverse results can be found in Attachment B (Assessment and Appeals Process).

A. If the Criminal Records Check Reveals a Conviction

The decision maker(s) (as determined by the campus; see Attachment C for Roles and Responsibilities) is/are the person(s) responsible for reviewing criminal records check results. The decision maker(s) will review the criminal records report and make final determinations regarding the suitability of the candidate for the position. The decision maker(s) may recommend implementation of additional controls before a department can employ a candidate with a conviction.

The individual may not start the new position until the results of the criminal record check have been received, reviewed, and resolved. If campuses disqualify candidates from further consideration for a position, campuses must follow the procedures for pre-adverse and adverse action notices.

Disqualification decisions will be based on job-related/legitimate business reasons. Before deciding to disqualify a candidate, the decision maker(s) should consider the following, in

consultation with HR, in determining whether the conviction impacts the candidate's suitability for the position:

- The nature and gravity of the crime(s) and relevance to the position sought;
- The number and circumstances of the offense(s);
- The period of time since the last conviction; and
- The candidate's conduct, performance and/or rehabilitation efforts since the conviction(s).

The following examples are illustrative, but not all inclusive, of the considerations that campus personnel might use in making a hiring decision. Campuses should check with their university counsel with any questions about whether the results of criminal records checks should disqualify a candidate from appointment.

Certain types of convictions should automatically preclude hiring or otherwise appointing individuals into sensitive positions. For example:

- Individuals with convictions for theft, embezzlement, identity theft, or fraud should not be appointed to positions with fiduciary responsibilities.
- Individuals with convictions, or who are under arrest or have pending charges for child molestation and/or other sex offenses should not be appointed to positions that involve direct unsupervised contact with children, students, outreach programs, or access to residence facilities. Campuses should consult with university counsel to discuss special restrictions that may be appropriate for the proposed hire of such an individual.
- Individuals with workplace or domestic violence convictions or other convictions for violence should be screened carefully before hire. Campuses should consult with university counsel to discuss special restrictions that may be appropriate for the proposed hire of such an individual.

Detention and/or arrest that did not lead to a conviction are not valid grounds for employment decisions and cannot play a part in the decision-making process. The CSU has discretion to consider a candidate who is under active arrest or awaiting trial on pending criminal charges. For candidates that are current CSU employees, the Human Resources or Academic Personnel office will notify the candidate if the results of the criminal records check are determined to disqualify the candidate from the position for which the candidate is being considered.

If the background check reveals an active arrest warrant, the decision maker(s) will notify the campus police for verification and follow up action, if deemed necessary.

B. Notice and Right to Appeal Adverse Results

If any information in the criminal records check is utilized to make an adverse action regarding an employment decision, the campus shall notify the applicant and provide a copy of the results using Attachments D5 and D7 **before** making a final determination. The

applicant shall be given five (5) business days to request, in writing, clarification or further review of the decision. The campus decision maker(s) must wait five (5) business days after notice is given and consider the applicant's appeal before making a final decision. More information about an applicant's right to appeal criminal records check results can be found in Attachment B (Assessment and Appeals Process).

C. Effect of Conviction on Current Employee's Continued Employment

The results of a criminal records check may subject a current employee to disciplinary action up to and including termination under the following circumstances:

- The employee was asked and failed to disclose a conviction on his/her job application(s) for employment with the CSU; or
- The criminal records check reveals a conviction that was of such a nature as to impact the employee's ability to continue in his/her current position because of concerns over the safety or security of students, faculty, staff, or CSU property.

If disciplinary or other action is taken as a result of the criminal records check, an employee shall have the rights enumerated in CSU policy, the appropriate collective bargaining agreement, and the Education Code. This provision does not create a right to appeal if none currently exists.

D. Represented Employees

Any disciplinary action taken against a current employee resulting from the discovery of a criminal history will be administered in a manner consistent with the applicable collective bargaining agreement and the California Education Code.

IX. GUIDELINES FOR CONDUCTING CREDIT CHECKS

A. Persons Subject to Credit Check Requirements

Credit Checks are not required for any candidate. CA law prohibits an employer from performing a credit on a candidate unless the type of position is listed in CA Labor Code § 1024.5. CSU policy allows a credit check to be performed if authorized by that provision and determined to be job-related. The campus' review of the applicant's credit report will comply with the requirements of the Consumer Credit Reporting Agencies Act (CCRAA) Civil Code § 1785.1, *et seq.* The CSU may only obtain the credit history report of a candidate for a position that, on the basis of duties, responsibilities, or access, could affect the institution financially and the individual is applying for or will work in one of the following positions:

- Managerial positions (defined as persons who manage the University or a department of the University, have the authority to make hiring/retention decisions, manage two or more persons, are exempt employees, and earn more than two times the state's current minimum wage)
- Positions with the state Department of Justice
- Sworn peace officers or other law enforcement positions
- Positions for which the information contained in the credit report is required by law to be disclosed or obtained

- Positions that involve regular access (for any purpose other than the regular solicitation and processing of credit card applications in a retail establishment) to all of the following types of personal information of any one person: bank or credit card account information, social security number, and date of birth
- Positions in which the person is, or would be a named signatory on the bank or credit card account of the employer, authorized to transfer money on behalf the employer, or authorized to enter into financial contracts on behalf of the employer
- Positions that involve access to confidential or proprietary information, including a formula, pattern, compilation, program, device, method, technique, process or trade secret that (1) derives independent economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by, other persons who may obtain economic value from the disclosure or use of the information, and (2) is the subject of an effort that is reasonable under the circumstances to maintain secrecy of the information
- Positions that involve regular access to cash totaling \$10,000 or more of the employer, a customer, or client, during the workday. CSU may not conduct credit checks based on access to lesser amounts.

B. Authorization and Disclosure Requirements for Credit Checks

A campus that conducts a credit check on a candidate for a position is required to obtain authorization and provide the person with a disclosure statement (see Attachments D5 & D6) setting forth the specific basis permitting the employer to obtain a credit report.

C. Notice and Right to Appeal Adverse Results

The campus shall advise any individual applicant or current employee if he/she is disqualified due to results obtained from a credit history check using Attachment D5 and D7. The campus shall give the applicant an opportunity to provide additional information. If the applicant disagrees with the accuracy of any information in the report, the applicant must notify the campus within five (5) days of the receipt of the report that the applicant is challenging information in the report. The campus will not make a final decision on the applicant's employment status until the applicant has had a reasonable opportunity to address the information contained in the report. The campus decision maker(s) must wait five (5) business days after notice is given and consider the applicant's appeal before making a final decision.

D. Confidentiality

The campus will maintain the confidentiality of the credit check results, unless otherwise required by law. Only the appropriate HR personnel, the background check coordinator, decision maker(s), and records custodian will be notified of the specific results of the credit check. The hiring department and current department of the employee (if applicable) will not be notified of the specific results of the credit check. The credit check results are confidential and will be kept by the designated custodian of records in a location that is secure and separate from the employee's official personnel file.

X. RECORDS RETENTION

The CORI should be maintained and destroyed no later than the termination of the new hire's employment or two (2) years from rejection due to the CORI pursuant to Equal Employment Opportunity Commission (EEOC) Regulation 29 CFR § 1602.49. Records pertaining to the new hire should be kept in accordance with EEOC regulations and kept separate from the employee's personnel file. Access to these records should be restricted to a designated Records Custodian, the person authorized to conduct the criminal records check using Live Scan or equivalent. Release of information to unauthorized individuals can result in civil fines and criminal penalties under California Penal Code § 11142 and 11143. Please refer to CSU's Records Retention Policy for document retaining guidelines at www.calstate.edu/recordsretention/.

I. ASSESSMENT OF CRIMINAL RECORDS CHECK RESULTS

A. Interpretation of Adverse Criminal History

If the background check reveals a conviction relevant to a position, the individual may be disqualified from holding the position. In making such a decision, the campus Decision Maker(s) will consider the following:

- The nature and gravity of the crime(s) and relevance to the position sought;
- The number and circumstances of the offense(s);
- The period of time since the last conviction; and
- The candidate's conduct, performance and/or rehabilitation efforts since the conviction(s).

See Attachment A Section VII "Conducting Criminal Records Checks."

B. Conducting an Individualized Assessment for Adverse Criminal Records Check Results

An employer's use of an individual's criminal history in making employment decisions may, in some instances, violate the prohibition against employment discrimination under Title VII of the Civil Rights Act of 1964 (Title VII) (42 U.S.C. § 2000 *et seq.*), or the California Fair Employment and Housing Act (FEHA) (CA Govt. Code § 12940 *et seq.*).

Exclusion of a candidate from consideration for employment is permissible if the conviction is job related and the exclusion is consistent with business necessity. An individualized assessment process may not be necessary when there is a clear and direct connection between the conviction and the open position's job responsibilities. Campuses are strongly encouraged to consult with Human Resources to determine when an individualized assessment is necessary/unnecessary.

An individual assessment of a job candidate with an adverse criminal history requires the campus to take the following steps:

- 1) Inform a candidate that he or she may be excluded from consideration for employment because of a conviction;
- 2) Provide an opportunity to the candidate to demonstrate that the exclusion does not properly apply to him/her. The candidate may respond by providing information to demonstrate:

- That he or she was not correctly identified in the criminal record, or that the record is otherwise inaccurate;
 - The facts or circumstances surrounding the offense or conduct;
 - The number of offenses for which the candidate was convicted;
 - The time that has passed since date of conviction, or release from prison;
 - Evidence that the candidate performed the same type of work, post-conviction, with the same or a different employer, with no known incidents of criminal conduct;
 - The length and consistency of employment history before and after the offense or conduct;
 - Rehabilitation efforts;
 - Employment or character references and any other information regarding fitness for the particular position; and
 - Whether the candidate is bonded under a federal, state, or local bonding program; and
- 3) Consider whether the additional information shows that the exclusion of the candidate is not job related and consistent with business necessity.

C. Communication of Adverse Criminal Records Check Results

If any information in the criminal records check is utilized to make an adverse action regarding an employment decision, the campus shall notify the applicant of the information and its source in writing **before** making a final determination.

D. Notice of Criminal Offender Record Information (CORI)

If an applicant for employment requests a summary of the criminal records check results, an employer is required to provide it (under IPA, ICRA, and/or FCRA). See Governing Laws under Attachment D1 for additional information.

II. APPLICANTS' RIGHT TO APPEAL CRIMINAL RECORDS CHECK RESULTS

When adverse information is found as a result of the criminal records check, applicants must be notified and given an opportunity to review the criminal records check results and submit an explanation through an appeal process.

- A. Pre-Adverse Action Notice:** The campus must first provide a Pre-Adverse Action Notice to the applicant, including a copy of the report together with a copy of "A Summary of Your Rights Under the Fair Credit Reporting Act." The sample Pre-Adverse Action Notice and a copy of the Summary are provided in Attachment D7 and D5, respectively, of this policy.
- B. Five Business Days to Request Review:** When notified of the intended adverse action, the applicant shall be given five (5) business days to request, in writing, clarification or further review of the decision. The campus Decision Maker(s) must wait five (5) business days after notice is provided and consider the applicant's appeal before making a final decision.
- C. Adverse Action Notice:** The campus may finalize its decision to disqualify the applicant if, after five (5) business days, no additional information has been presented establishing that disqualification based on the initial results of the check is inappropriate. If the decision is finalized, the campus will notify the individual of the non-selection using the Adverse Action Notice in Attachment D7.

III. APPLICANTS' RIGHT TO APPEAL CREDIT CHECK RESULTS

When applicants will be disqualified due to the results obtained from a credit history check, they must be notified and given an opportunity to submit an explanation through an appeal process.

- A. **Pre-Adverse Action Notice:** The campus must first provide a Pre-Adverse Action Notice to the applicant, including a copy of the report together with a copy of "A Summary of Your Rights Under the Fair Credit Reporting Act." The sample Pre-Adverse Action Notice and a copy of the Summary are provided in Attachment D7 and D5, respectively, of this policy.
- B. **Five Business Days to Request Review:** When notified of the intended adverse action, the applicant shall be given five (5) business days to request, in writing, clarification or further review of the decision. The campus Decision Maker(s) must wait five (5) business days after notice is provided and consider the applicant's appeal before making a final decision.
- C. **Adverse Action Notice:** The campus may finalize its decision to disqualify the applicant if, after five (5) business days, no additional information has been presented establishing that disqualification based on the initial results of the check is inappropriate. If the decision is finalized, the campus will notify the individual of the non-selection using the Adverse Action Notice in Attachment D7.

Roles and Responsibilities

Attachment C Contents:

- I. Roles and Responsibilities
 - A. Campus Responsibilities
 - B. Role: Background Check Coordinator
 - C. Role: Decision Maker(s)
 - D. Role: Records Custodian

I. ROLES AND RESPONSIBILITIES

A. Campus Responsibilities

It is the campus responsibility to:

- Develop and maintain general written guidelines regarding background checks that comply with governing laws and CSU policy, including provisions to obtain a candidate's authorization to conduct background checks before extending an offer of employment.
- Develop a process for the candidate to *inquire* about the accuracy of a background check report and to ensure that information regarding the process is provided to him/her at the time the authorization form is provided.
- Determine whether a position should be designated as sensitive and document that information on the position description.
- Ensure all recruitment information, announcements and position descriptions state if a position requires a background check.
- Determine whether the campus president directs the campus to conduct background checks or directs the use of an outside vendor.
- Notify the candidate under consideration that any offer of employment is conditional on successful completion of a background check and that falsification of information provided will be cause for corrective action or rejection.
- Maintain confidentiality of background check information (see Attachment D8 for relevant information).
- Develop a process for the campus to monitor compliance with the policy for volunteers, consultants, auxiliaries and outside entities.
- Designate the following roles with its corresponding responsibilities: Background Check Coordinator, Records Custodian, and the Decision Maker.

B. Role: Background Check Coordinator

The campus will identify the individual(s) responsible for all activities involved with the background check process. The Background Check Coordinator will:

- Determine the types of checks to be performed for each job title, based upon the policy and the job responsibilities;
- Ensure consistency in background check processes and decisions;
- Review documentation and forms received from final candidates to ensure completeness;
- Perform background checks, request that a third party vendor conduct the checks, or request that the Records Custodian initiate Live Scan background checks on final candidates;
- Process background check documentation in accordance with this policy;
- Notify the hiring manager if the candidate passes the background check;
- Notify the appointing authority if adverse results are revealed in a candidate's background check;
- Provide a copy of the criminal records check and/or credit check results and the Pre-Adverse/Adverse Notice forms to candidates with adverse results;

- Work with the final candidate to resolve issues related to the background check and establish timelines for the final candidate to resolve issues as needed. This is applicable when the final candidate disputes the accuracy of information revealed through the background check;
- Notify hiring department that all background checks have been successfully completed and the selected candidate can begin working;
- Provide a copy of the criminal records check and/or credit check results to candidates who request a copy of the results;
- Identify who is to be notified if a criminal records check reveals an active warrant for a candidate; and
- Maintain confidentiality of background check information.

C. Role: Decision Maker(s)

The Decision Maker(s) will be responsible for reviewing results of a background check that discloses information that may disqualify a candidate from employment. The Decision Maker(s) will:

- Be selected by the campus;
- Be well-trained and supported to ensure the consistency of the application;
- Consult with Human Resources, Chief of Police, and/or assigned counsel in cases when a decision to hire is uncertain based on a final candidate's background check results and additional consultation is needed;
- Otherwise maintain confidentiality of background check information;
- Assess and make a decision on the final candidate's suitability for the position based on background check results; and notify the background check coordinator that the results of a background check disqualified the candidate from being appointed.

D. Role: Records Custodian

The campus will identify one location and designate one Records Custodian (who may also be the background check coordinator) to:

- Be authorized by the Department of Justice to fingerprint candidates for Live Scan background checks (visit <http://oag.ca.gov/fingerprints/custodian> for details);
- Keep all background check records (including the CORI) in a location that is secure and separate from the employee's official personnel file; and
- Maintain and destroy the CORI no later than the termination of the new hire's employment or two (2) years from rejection due to the CORI.

 - G. California Labor Code §432.8
- II. Definition of Terms

I. GOVERNING LAWS

California State University (CSU) background checks are subject to a number of federal and state statutes. These include the Federal Fair Credit Reporting Act (FCRA), 15 U.S.C. § 1681, *et seq.*; the Investigative Consumer Reporting Agencies Act (ICRA), CA Civil Code § 1786, *et seq.*; the Information Practices Act (IPA), CA Civil Code § 1798, *et seq.*; the Consumer Credit Reporting Agencies Act (CCRAA), CA Civil Code § 1785.1, *et seq.*; and CA Labor Code §§ 432.7, 432.8, and 1024.5 Detailed information on the statutes and citations to the full text of the laws are provided below:

A. Fair Credit Reporting Act (FCRA)

The FCRA, 15 U.S.C. § 1681, *et seq* governs “consumer reports” issued for multiple purposes, including credit checks, and employment background checks for the purposes of “hiring, promotion, retention or reassignment.” If the campus conducts the background investigation itself, the FCRA provisions do not apply. FCRA applies when the campus uses an outside consumer reporting agency to conduct a background check and requires the agency to:

- Give the individual notice on a separate document that consists solely of the notice that a report may be obtained.
- Obtain the individual’s permission in writing for preparation of the report and obtain specific permission if medical information is requested.
- Give a special notice if the individual’s neighbors, friends or associates will be interviewed about character, general reputation, personal characteristics or mode of living. This is called an “investigative consumer report” under FCRA.
- The campus must give a “pre-adverse action notice” along with a copy of the background report before an adverse action is taken. For applicants an adverse action occurs when the campus decides not to hire the individual based on information in the report. For existing employees, an adverse action might be a termination, a demotion or a decision not to promote the employee.
- Disclose to the individual a summary containing the nature and substance of the consumer report on which the adverse action was based, except that the sources of information need not be disclosed.
- Give individuals a second notice after an adverse action, telling them how to dispute inaccurate or incomplete information.

- Upon receiving a request to provide the individual with a copy of the consumer report, the campus must provide the report within 3 business days along with a copy of the consumer's rights as prescribed by the Federal Trade Commission under 609(c)(3).

The FCRA text and information about the law is available at:

<http://www.ftc.gov/os/statutes/031224fcra.pdf>.

B. California Investigative Consumer Reporting Agencies Act (ICRA)

The CSU is subject to the provisions of the ICRA, CA Civil Code § 1786, *et seq.* The ICRA applies when the university uses a third party vendor to conduct background checks. Civil Code § 1786.16 requires prior approval by the subject of the background check and notice to the individual, including:

- A clear and conspicuous disclosure in writing to the applicant or employee before the investigative consumer report is procured from an outside vendor, in a document consisting solely of the disclosure, that includes:
 - A statement that an investigative consumer report may be obtained;
 - The permissible purpose of the report;
 - A statement that the disclosure may include information on the subject's character, general reputation, personal characteristics, and mode of living;
 - The name, address and telephone number of the outside vendor;
 - The nature and scope of the requested investigation and information on how the subject may inspect the outside vendor's investigatory files.

The text of ICRA is available

http://leginfo.legislature.ca.gov/faces/codes_displayexpandedbranch.xhtml?tocCode=CIV&division=3.&title=1.6A.&part=4.&chapter=&article= Further information about ICRA is available at <http://oag.ca.gov/privacy>

C. California Information Practices Act (IPA)

The IPA, CA Civil Code § 1798, *et seq.*, restricts the maintenance and dissemination of personal information. The IPA applies to the university if the campus conducts its own background checks. Civil Code § 1798.17 requires state agencies that collect personal information about a subject person from a third party to provide notice to the third party of the following:

- The name of the agency and the division within the agency that is requesting the information.
- The title, business address, and telephone number of the agency official who is responsible for the system of records and who shall, upon request, inform an individual regarding the location of his or her records and the categories of any persons who use the information in those records.
- The authority, whether granted by statute, regulation, or executive order which authorizes the maintenance of the information.
- With respect to each item of information, whether submission of such information is mandatory or voluntary.
- The consequences, if any, of not providing all or any part of the requested information.
- The principal purpose or purposes within the agency for which the information is to be used.

- Any known or foreseeable disclosures which may be made of the information pursuant to subdivision (e) or (f) of § 1798.24.
- The individual's right of access to records containing personal information which are maintained by the agency.

The IPA also requires a state agency (including the university) to disclose the personal information to the individual to whom the information pertains unless the information is exempt from disclosure under Civil Code § 1798.40.

The IPA text and information about the law is available at:

http://leginfo.legislature.ca.gov/faces/codes_displaySection.xhtml?lawCode=CIV§ionNum=1798.40.

More information about the IPA can be found at: <http://oag.ca.gov/privacy>.

D. California Consumer Credit Reporting Agencies Act (CCRAA)

The CCRAA, CA Civil Code § 1785.1, *et seq*, regulates consumer credit reporting agencies. If the University uses an outside vendor to obtain a credit report on a candidate for employment this law applies.

The text of the CCRAA is available at:

http://leginfo.legislature.ca.gov/faces/codes_displayText.xhtml?lawCode=CIV&division=3.&title=1.6.&part=4.&chapter=1.&article=#.

A Summary of Your Rights Under the Fair Credit Reporting Act

The federal Fair Credit Reporting Act (FCRA), 15 U.S.C. § 1681, *et seq.* promotes the accuracy, fairness, and privacy of information in the files of consumer reporting agencies. There are many types of consumer reporting agencies, including credit bureaus and specialty agencies (such as agencies that sell information about check writing histories, medical records, and rental history records). Here is a summary of your major rights under the FCRA. **For more information, including information about additional rights, go to www.ftc.gov/credit or write to: Consumer Response Center, Room 130-A, Federal Trade Commission, 600 Pennsylvania Ave. N.W., Washington, D.C., 20580.**

- **You must be told if information in your file has been used against you.** Anyone who uses a credit report or another type of consumer report to deny your application for credit, insurance, or employment – or to take another adverse action against you – must tell you, and must give you the name, address, and phone number of the agency that provided the information.
- **You have the right to know what is in your file.** You may request and obtain all the information about you in the files of a consumer reporting agency (your “file disclosure”). You will be required to provide proper identification, which may include your Social Security number. In many cases, the disclosure will be free. You are entitled to a free file disclosure if:
 - A person has taken adverse action against you because of information in your credit report;
 - You are the victim of identity theft and place a fraud alert in your file;
 - Your file contains inaccurate information as a result of fraud;
 - You are on public assistance;
 - You are unemployed but expect to apply for employment within 60 days.

In addition, all consumers are entitled to one free disclosure every 12 months upon request from each nationwide credit bureau and from nationwide specialty consumer reporting agencies. See www.ftc.gov/credit for additional information.

- **You have the right to ask for a credit score.** Credit scores are numerical summaries of your credit-worthiness based on information from credit bureaus. You may request a credit score from consumer reporting agencies that create scores or distribute scores used in residential real property loans, but you will have to pay for it. In some mortgage transactions, you will receive credit score information for free from the mortgage lender.
- **You have the right to dispute incomplete or inaccurate information.** If you identify information in your file that is incomplete or inaccurate, and report it to the consumer reporting agency, the agency must investigate unless your dispute is frivolous. See www.ftc.gov/credit for an explanation of dispute procedures.
- **Consumer reporting agencies must correct or delete inaccurate, incomplete, or unverifiable information.** Inaccurate, incomplete or unverifiable information must be removed or corrected, usually within 30 days. However, a consumer reporting agency may continue to report information it has verified as accurate.
- **Consumer reporting agencies may not report outdated negative information.** In most cases, a consumer reporting agency may not report negative information that is more than seven years old, or bankruptcies that are more than 10 years old.
- **Access to your file is limited.** A consumer reporting agency may provide information about you only to people with a valid need – usually to consider an application with a credit, insurer, employer, landlord, or other business. The FCRA specifies those with a valid need for access.
- **You must give your consent for reports to be provided to employers.** A consumer reporting agency may not give out information about you to your employer, or a potential employer, without your written consent given to the employer. Written consent generally is not required in the trucking industry. For more information, go to www.ftc.gov/credit.
- **You may limit “prescreened” offers of credit and insurance you get based on information in your credit report.** Unsolicited “prescreened” offers for credit and insurance must include a toll-free phone number you can call if you choose to remove your name and address from the lists these offers are based on. You may opt-out with the nationwide credit bureaus at 1-888-5-OPTOUT (1-888-567-8688).

- **You may seek damages from violators.** If a consumer reporting agency, or, in some cases, a user of consumer reports or a furnisher of information to a consumer reporting agency violates the FCRA, you may be able to sue in state or federal court.
- **Identify theft victims and active duty military personnel have additional rights.** For more information, visit www.ftc.gov/credit.

States may enforce the FCRA, and many states have their own consumer reporting laws. In some cases, you may have more rights under state law. For more information, contact your state or local consumer protection agency or your state Attorney General. Federal enforcers are:
