Temporary faculty employed during the prior academic year (2017/18) who have completed six years of prior consecutive service shall be offered a three-year temporary appointment following satisfactory evaluations, pursuant to Article 15 of the Unit 3 Collective Bargaining Agreement (CBA). The entitlement time base for a three-year appointment is determined by the total WTUs taught in 2017/18, unless a temporary faculty member worked full time. If full time in the prior year, the entitlement time base of the 3-year appointment is based upon the work available in the first year of the three-year appointment.

For more information on three-year appointments, including eligibility requirements, please see the Unit 3 CBA, Articles 12.12 through 12.15.

If your name does not appear on this list of lecturers who are NEWLY eligible for a 3-year appointment, and you believe you have met the eligibility requirements, please contact Courtney Proctor in Human Resources and Academic Personnel Services at x5192.
