Overview:

Teaching Associates (TAs) typically are responsible for providing classroom and/or laboratory instruction, making assignments to students, preparing course materials, administering examinations, assessing student performance, tutoring students and determining course grades. Also, incumbents may assist faculty with field experience, supervision, simulation exercises and/or research projects. Students applying for TA positions must be currently enrolled in the graduate program of the department in which they are applying. Degree-seeking graduate students who are enrolled in interdisciplinary degree programs may be hired as TAs for departments that comprise their interdisciplinary programs. Academic Student Employees may not concurrently hold a faculty or staff position. Students with assignments in more than one student classification (i.e., Graduate Assistant, Instructional Student Assistant, and Student Assistant) are restricted to working a maximum of 20 hours per week during the academic year. The 20 hour per week maximum includes hours worked in all positions. See Classification Standards for more information: <http://www.humboldt.edu/aps/ase.html>.

Job Duties:

Teaching Associates in Biology provide laboratory instruction and are responsible for performance of ancillary or related duties as assigned by courses instructor. Appointments are for a single term (Fall or Spring). Fall appointments may be renewed for the Spring semester dependent upon budget, enrollment, and satisfactory performance.

Minimum Qualifications for this Classification:

Knowledge and Abilities: Knowledge of the subject matter of the discipline to which the individual is assigned. Ability to relate well to others within the academic environment and ability to instruct and evaluate students.

Education: Education equivalent to or completion of the requirements for a bachelor's degree and concurrent admission to or enrollment in a graduate degree program of the university in the discipline to which the individual is assigned.

Experience: Evidence of satisfactory achievement in previous academic work.

Note: Exceptions to the minimum eligibility qualifications may be granted at the sole discretion of Humboldt State University.

Department Hiring Criteria:

Completion of a Bachelor's degree in the Biological Sciences, with appropriate course experience and background in Biology, Botany or Zoology. Newly hired Teaching Associates in the Department of Biological Sciences are strongly encouraged to take BIO 597 "Methods of Laboratory Instruction" offered in the fall semester.

A background check must be completed satisfactorily before any candidate can be offered a position that is designated as sensitive under CSU guidelines. The background check will include, at a minimum, a criminal records check. Certain positions may also require a credit check, motor vehicle report, and/or fingerprinting through Live Scan service. Adverse findings from a background check may affect the application status of applicants or continued employment of current CSU student workers who apply for the position. All CSU employees are obligated to respond to and report incidents of sexual harassment and sexual violence. The successful candidate for this position will be mandated to receive relevant training on an annual basis. The person holding this position is considered a 'mandated reporter' under the California Child Abuse and Neglect Reporting Act and is required to comply with the requirements set forth in CSU Executive Order 1083 as a condition of employment.
