Overview:

Under supervision, Instructional Student Assistants (ISAs) in this classification perform teaching, grading and/or tutoring duties for the majority of work hours in a given appointment in a given academic department or equivalent administrative unit over the course of an academic term. The work may be performed on-campus or at an off-campus public agency or private non-profit organization under an agreement with a campus in the CSU system. Students applying for ISA positions must be admitted or registered as a CSU student. Academic Student Employees may not concurrently hold a faculty or staff position. Students with assignments in more than one student classification (i.e., Teaching Associate, Graduate Assistant, and Student Assistant) are restricted to working a maximum of 20 hours per week during the academic year and up to full-time during academic break periods. The 20 hour per week maximum includes hours worked in all positions. See Classification Standards for more information: <http://www.humboldt.edu/aps/ase.html>.

Job Duties:

Grading homework, tests, and/or papers using answer key and/or rubric provided by instructor of course; assisting with field trips and/or course preparation.

Minimum Qualifications for this Classification:

Knowledge and Abilities: Instructional Student Assistants must possess the ability to learn and perform assigned work; work cooperatively with faculty, staff, and other students; and accept responsibility. Completion of specific coursework may be required in order to teach, grade or tutor a course.

Special Qualifications: Admission or registration as an HSU student is required. On-Campus or Off-Campus Work-Study Instructional Student Assistants must meet the eligibility requirements of the Federal Work-Study Program, as determined by the campus' financial aid office.

Note: Exceptions to the minimum eligibility qualifications may be granted at the sole discretion of Humboldt State University.

Department Hiring Criteria:

Advanced coursework and experience in Fisheries Biology relevant to the course assignment is required. After reviewing application materials, the Fisheries Biology Department, in consultation with the lead instructors of courses, will select undergraduate students whose skills, experience, prior education, and course of study best meet the needs of the position.

How to Apply and Contact Information:

Please submit the following application materials:

- Letter of Application Resume/CV [Application for Academic Employment](#) [Supplemental Application for Employment](#)
- Other:

Submit application with a list of the courses for which you would like to be considered.

Please submit application materials listed above to:

Department Chair, c/o Katherine Moon, Dept of Fisheries Biology, room 220 of the Wildlife & Fisheries Building, or by email to departmental administrative staff Katherine Moon: moon@humboldt.edu.

Procedures for Notification:

Only the applicants awarded the positions will be notified and asked to complete and submit an employee Action Request Form (EAR), Employee Information Form (EIF) and Employment Eligibility Verification Form (I-9) to Human Resources.

A background check must be completed satisfactorily before any candidate can be offered a position that is designated as sensitive under CSU guidelines. The background check will include, at a minimum, a criminal records check. Certain positions may also require a credit check, motor vehicle report, and/or fingerprinting through Live Scan service. Adverse findings from a background check may affect the application status of applicants or continued employment of current CSU student workers who apply for the position. All CSU employees are obligated to respond to and report incidents of sexual harassment and sexual violence. The successful candidate for this position will be mandated to receive relevant training on an annual basis. The person holding this position is considered a 'mandated reporter' under the California Child Abuse and Neglect Reporting Act and is required to comply with the requirements set forth in CSU Executive Order 1083 as a condition of employment.
