

HUMBOLDT STATE UNIVERSITY

Career Advisor

Closes: Friday, October 5th, 2018

(Job # 18-59) Student Services Professional II (SSP II), Career Advisor, \$3,831 - \$5,447/month. Appointments are typically made at the beginning of the salary range. This is a full-time, benefited, 11/12 pay plan (work 11 months with pay and benefits over 12 months), exempt position with a one-year probationary period in the Academic and Career Advising Center.

Position Summary: Serve as career advisor on an individual basis to students in assigned majors and programs (currently the College of Arts, Humanities and Social Sciences) with a demonstrated commitment to first-generation, low-income, and traditionally marginalized students. Assist students with career decisions, career information, experiential opportunities, career-related internships, graduate school options, and career employment. Develop and coordinate numerous career-related workshops, activities, seminars, and presentations, including classroom and student organization presentations. Additionally, this position may provide advising and administrative support for various activities and cooperative endeavors such as participation in orientation, faculty advisor training, and various retention and student success initiatives. Develop relationships with faculty, deans, and academic department staff to better serve the needs of the students of CAHSS. This position will serve as liaison to assigned departments and consult and collaborate with faculty in relevant disciplines as well as with staff in other student service areas. The person in this position may act as an academic advisor to students who are exploring majors, and as a supplementary advisor for undergraduate students seeking information and clarification on degree progress, academic policies and procedures, all university requirements, status of transfer work, and referral to campus resources that support student success.

Duties: Assist students in identifying career and life goals, which may entail complex and sensitive personal issues. Select appropriate techniques and instruments to help students learn about themselves, their aptitudes, their abilities and how these relate to career/life planning. Advise students on ways to explore occupational fields (occupational information, informational interviews, etc.) and to develop needed skills through classes or training programs. Help students seek and obtain career-related internships and summer jobs to gain valuable experience in their fields of choice. Provide individual and group job search advising, which includes awareness of traditional and electronic methods, interpreting government regulations and application procedures. Advise students about graduate and professional school decision making and application processes. Advise students regarding current employment and economic trends in their field. Develop and coordinate numerous career-related workshops, activities, seminars, and presentations, including class and club presentations. Assist in organizing and planning career related events and programs. Make appropriate referrals to campus support services. Provide coverage during the department's drop-in times. Act as liaison with campus and community partners.

Minimum Qualifications:

Education: Equivalent to graduation from a four-year college or university in one of the behavioral sciences, public or business administration or a job-related field. Additional specialized experience during which the applicant has acquired and successfully applied the knowledge and abilities listed below may be substituted for the required education on a year-for-year basis. **Experience:** Two years of professional experience in one of the student services program areas or in a related field; experience should give evidence of competence and indicate the potential for further growth. A master's degree in a job-related field may be substituted for one year of the professional experience.
