Overview:
Teaching Associates (TAs) typically are responsible for providing classroom and/or laboratory instruction, making assignments to students, preparing course materials, administering examinations, assessing student performance, tutoring students and determining course grades. Also, incumbents may assist faculty with field experience, supervision, simulation exercises and/or research projects. Students applying for TA positions must be currently enrolled in the graduate program of the department in which they are applying. Degree-seeking graduate students who are enrolled in interdisciplinary degree programs may be hired as TAs for departments that comprise their interdisciplinary programs. Academic Student Employees may not concurrently hold a faculty or staff position. Students with assignments in more than one student classification (i.e., Graduate Assistant, Instructional Student Assistant, and Student Assistant) are restricted to working a maximum of 20 hours per week during the academic year. The 20 hour per week maximum includes hours worked in all positions. See Classification Standards for more information: http://www.humboldt.edu/aps/ase.html.

Job Duties:
Successful applicants will be enrolled in HSU’s Applied English Studies Graduate Program. Hired Graduate Teaching Associates (GTAs) will be appointed to teach a single section of English 104: Accelerated Composition and Rhetoric in the Fall semester. Applicants must not have any incompletes (“I”) on their transcripts. If hired, Graduate Teaching Associates (GTA) appointees may attend paid orientation sessions, dependent on availability and budget. GTAs hired in their first year at Humboldt State University are required to demonstrate experience teaching writing and/or that they have successfully completed a course equivalent to English 581: Seminar in Teaching College Writing. Equivalent coursework will be reviewed and determined by the Department of English prior to an offer of appointment.

Students interested in applying for GTA positions are strongly encouraged to enroll in English 581: Seminar in Teaching College Writing at least one semester prior to the teaching semester. English 581 is offered each spring semester, and GTAs typically teach English 104: Accelerated Composition and Rhetoric during the fall semester. GTA appointments will be contingent upon funding, enrollment trends, programmatic needs, and performance.
