Job Vacancy Announcement

Graduate Assistant

Job #: 266
Date Posted/Updated: 04/14/2021

Overview:

Under immediate supervision, Graduate Assistants (GA) provide non-teaching assistance to faculty members and gain practical experience in fields related to their advance study. GA work may involve supervising students in a classroom, workshop, or laboratory (where final responsibility for the class and its entire instruction, including the performance of the GA, is vested in a member of the faculty); training students in the use of equipment or other resources; assisting faculty with research and preparation of course materials; participating in the evaluation of students’ work; tutoring students; and other related work. Students applying for GA positions must be currently enrolled in a graduate program at HSU. Academic Student Employees may not concurrently hold a faculty or staff position. Students with assignments in more than one student classification (i.e., Teaching Associate, Instructional Student Assistant, and Student Assistant) are restricted to working a maximum of 20 hours per week during the academic year. The 20 hour per week maximum includes hours worked in all positions. See Classification Standards for more information: http://www.humboldt.edu/aps/ase.html.

Job Duties:

The successful candidate will serve as an editorial assistant for Analyses of Social Issues and Public Policy (editor-in-chief Chris Aberson). Tasks include:

1. Developing materials to support authors’ open science practices (e.g., handouts detailing how authors can make data publicly accessible, how to post preprints).
2. Serving as a resource for authors interested in pursuing open science practices for accepted manuscripts.
3. Developing processes to enhance Green Open access (i.e., posting of preprints)
4. Clerical duties such as running manuscripts through error detection applications such as StatCheck and turnitin.
5. Verifying compliance with practices associated with awarding Open Science Badges. Investigating open access options for accepted manuscripts.
6. Forwarding copies of accepted manuscripts to researchers who might be interested (e.g., those cited prominently in the references).

Minimum Qualifications for this Classification:

Knowledge and Abilities: Knowledge of the subject matter of the discipline in which assigned. Ability to relate well to others within the academic environment; ability to supervise, assist, and train students; and ability to assist faculty in the conduct of special projects/research within the discipline.

Experience: For the initial appointment, evidence of satisfactory achievement in previous academic work. For subsequent appointment, evidence of satisfactory progress toward completion of the degree.

Education: Equivalent to completion of the requirements for a bachelor’s degree and registration in a CSU graduate degree program. Students enrolled in credential programs are not eligible for this position.

Note: Exceptions to the minimum eligibility qualifications may be granted at the sole discretion of Humboldt State University.
## Department Hiring Criteria:

Applicant should have a graduate-level research methodology background (either completed or in progress), strong writing skills, and an ability to work independently.

## How to Apply and Contact Information:
