Overview:

Teaching Associates (TAs) typically are responsible for providing classroom and/or laboratory instruction, making assignments to students, preparing course materials, administering examinations, assessing student performance, tutoring students and determining course grades. Also, incumbents may assist faculty with field experience, supervision, simulation exercises and/or research projects. Students applying for TA positions must be currently enrolled in the graduate program of the department in which they are applying. Degree-seeking graduate students who are enrolled in interdisciplinary degree programs may be hired as TAs for departments that comprise their interdisciplinary programs. Academic Student Employees may not concurrently hold a faculty or staff position. Students with assignments in more than one student classification (i.e., Graduate Assistant, Instructional Student Assistant, and Student Assistant) are restricted to working a maximum of 20 hours per week during the academic year. The 20 hour per week maximum includes hours worked in all positions. See Classification Standards for more information: http://www.humboldt.edu/aps/ase.html.
