Is this position designated as sensitive under the CSU Background Check guidelines?

Pay Rate: $832.00 per month (Approx.)

Overview:
Teaching Associates (TAs) typically are responsible for providing classroom and/or laboratory instruction, making assignments to students, preparing course materials, administering examinations, assessing student performance, tutoring students and determining course grades. Also, incumbents may assist faculty with field experience, supervision, simulation exercises and/or research projects. Students applying for TA positions must be currently enrolled in the graduate program of the department in which they are applying. Degree-seeking graduate students who are enrolled in interdisciplinary degree programs may be hired as TAs for departments that comprise their interdisciplinary programs. Academic Student Employees may not concurrently hold a faculty or staff position. Students with assignments in more than one student classification (i.e., Graduate Assistant, Instructional Student Assistant, and Student Assistant) are restricted to working a maximum of 20 hours per week during the academic year. The 20 hour per week maximum includes hours worked in all positions. See Classification Standards for more information: http://www.humboldt.edu/aps/ase.html.

Job Duties:
Lead 2 labs of SOIL104 (Sustainable Agriculture). The TA will deliver the lab presentation as developed by the course instructor. Additionally, the TA will grade all assignments associated with the lab sections and enter the grade into the canvas grade sheet. Finally, the TA will lead any scheduled field trips and make themselves available to students outside of class time via scheduled office hours.

Minimum Qualifications for this Classification:
Knowledge and Abilities: Knowledge of the subject matter of the discipline to which the individual is assigned. Ability to relate well to others within the academic environment and ability to instruct and evaluate students.

Education: Education equivalent to or completion of the requirements for a bachelor’s degree and concurrent admission to or enrollment in a graduate degree program of the university in the discipline to which the individual is assigned.

Experience: Evidence of satisfactory achievement in previous academic work.

Note: Exceptions to the minimum eligibility qualifications may be granted at the sole discretion of Humboldt State University.
**Department Hiring Criteria:**

Completion of a Bachelor's degree in a relevant field, with appropriate coursework and experience relevant to the course assignment. Must be registered in a Master's degree program at HSU, and must be enrolled in courses toward completion of graduate degree and remain academically eligible throughout the appointment. The departmental chair will make the final decision based on the background of the applicants. The ideal candidate has a background in botany, soil science, or agriculture. More generalized backgrounds in a natural resource discipline will also be entertained.

A background check must be completed satisfactorily before any candidate can be offered a position that is designated as sensitive under CSU guidelines. The background check will include, at a minimum, a criminal records check. Certain positions may also require a credit check, motor vehicle report, and/or fingerprinting through Live Scan service. Adverse findings from a background check may affect the application status of applicants or continued employment of current CSU student workers who apply for the position. All CSU employees are obligated to respond to and report incidents of sexual harassment and sexual violence. The successful candidate for this position will be mandated to receive relevant training on an annual basis. The person holding this position is considered a 'mandated reporter' under the California Child Abuse and Neglect Reporting Act and is required to comply with the requirements set forth in CSU Executive Order 1083 as a condition of employment.
