ANTH 695	Field Research (subdiscipline: depends on specific course offering)
Preferred Qualifications:	Degree: Ph.D. in Anthropology with a specialization in the subdiscipline of interest, OR a terminal degree in a closely related field directly tied to the courses of interest.
	Experience: Successful teaching experience as demonstrated by excellent teaching evaluations, especially in the subdiscipline (and, if taught previously, in the courses) of interest.
	Additional criteria for choosing among qualified candidates: Demonstrated mastery of and focus in the specific subject matter of the course(s), as evaluated through factors such as previous teaching experience with excellent evaluations, educational focus, and professional-level research/training/work experience. Overall well-rounded experience within Anthropology. Active engagement in applicable professional / applied setting that inform teaching and help prepare students for future success in modern markets. Experience with active teaching methods and demonstrated commitment to continued pedagogical improvement aimed at improving inclusive student success. Plus minimum qualifications (see below)
Minimum Qualifications:	Degree: Master's degree in Anthropology with a specialization in the subdiscipline of interest, OR a Master's degree in a closely related field directly tied to the courses of interest.
	Experience: Relevant educational/research focus, professional training, or applied experience in the subdiscipline and subject matter of the courses, AND experience working with any materials (e.g., artifacts, skeletal remains, laboratory/field equipment) pertaining to the courses.
	Additional criteria for choosing among qualified candidates: For special topics courses (e.g., ANTH 180, 329, 339, 359, 485, 680) and regional courses (e.g., ANTH 306, 390, 394, 679): demonstrated mastery of and focus in the subject matter of the specific topic/region chosen by the Department to be offered in a given term. The Department will make the final determination of eligibility and qualification for each available course, which may or may not match what an applicant indicates they are qualified to teach.

It is the responsibility of the applicant to provide complete and accurate employment information. Evidence of required degree(s), certifications(s), or licenses(s) will be required prior to the appointment date. A background check (including a criminal records check, employment verification, and education verification) must be completed satisfactorily as a condition of employment with the CSU. Certain positions may also require a credit check, motor vehicle report, and/or fingerprinting through Live Scan service. Adverse findings from a background check may affect the application status of applicants or continued employment of current CSU employees who apply for the position. All CSU employees are obligated to respond to and report incidents of sexual harassment and sexual violence. The successful candidate for this position will be mandated to receive relevant training on an annual basis. The person holding this position is considered a 'mandated reporter' under the California Child Abuse and Neglect Reporting Act and is required to comply with the requirements set forth in CSU Executive Order 1083 as a condition of employment.

New employees hired by the CSU for the first time who first become CalPERS members on or after July 1, 2017 are subject to a 10 year vesting period for retiree health and dental benefits.

Humboldt State University is a Title IX/Affirmative Action/Equal Opportunity Employer. We consider qualified applicants for employment without regard to race, religion, color, national origin, ancestry, age, sex, gender, gender identity, gender expression, sexual orientation, genetic information, medical condition, disability, marital status, protected veteran status, or any other legally protected status. If accommodations need to be made during the recruitment and interview process, please contact Human Resources at (707) 826-3626 or hsuhr@humboldt.edu.
