

HUMBOLDT STATE UNIVERSITY

Marine Laboratory

HSU Sponsored Programs Foundation

Job Announcement

This is not a state position.

Job Title: Field Research Technician at the HSU Marine Laboratory.

Wage and position: The hourly wage is \$21.00-24.00 per hour, commensurate with qualifications and experience. Position is housed at the HSU Marine Lab. This is a part time (20-25 hours per week), temporary, non-benefited, non-exempt (hourly) position. This is not a state position.

Description: The successful applicant will be responsible for the training, coordination, and on-site field logistics of conducting University-approved boating and SCUBA diving operations as part of the North Coast MPA subtidal monitoring program. The individual will also assist in data entry, data analysis, and report writing.

Essential job duties:

- Coordinate scheduling and field logistics for a team of divers along the North Coast;
- Operate a 4-wheel drive vehicle, small vessels, and scientific SCUBA diving;
- Collect data on fishes, invertebrates, and seaweeds using SCUBA;
- Enter, verify, maintain and analyze high-quality archives of data and equipment logs;
- Creating maps using GIS;
- Conduct data analysis and development of summary products for use in scientific research and public outreach;
- Ordering supplies, equipment and tracking of budgetary balances.

Minimum Qualifications: Requires a minimum of an M.S. in a STEM-related field, AAUS scientific diving certification, Motorboat Operator Training Course (MOTC) certification, and a minimum of 5 years' experience SCUBA diving in cold-water environments. The ability to identify subtidal fishes, invertebrates and seaweeds is essential. Applicants must have GIS, statistical analysis, and relational database experience. Highly desirable are experience training divers in scientific diving methods and experience with PISCO or similar scientific diving programs.

Application Instructions: To apply submit 1) cover letter and 2) CV/resume by e-mail along with the 3) [HSU SPF Employee Information Form for Applicants](#) to Brian.tissot@Humboldt.edu. If you have any questions, e-mail or call 707-826-5827.

Application review date: Review will be begin on Aug 12, 2019; position is open until filled.
