**Minimum Qualifications:**

| **Degree:** | B.A./B.S. or M.A./M.S. in Physics, Astronomy or related field |
| **Experience:** | Successful teaching experience in the field. |
| **Preferred:** | Ph.D. Physics, Astronomy or related field; training and teaching experience relevant to this course; area of specialization. |

| SCI 331 | Fundamental Science Concepts in Elementary Education |
| SCI 331 Activity | Fundamental Science Concepts for Elementary Education |

**Minimum Qualifications:**

| **Degree:** | MA/MS in appropriate field or BA/BS in appropriate field with teaching credential |

| PHYX 104 Lecture | Descriptive Astronomy |
| PHYX 104B | Descriptive Astronomy |
| PHYX 106 Lecture | College Physics: Mechanics & Heat |
| PHYX 107 Lecture | College Physics: Electromagnetism & Modern Physics |
| PHYX 118 | College Physics: Biological Applications |

**Minimum Qualifications:**

| **Degree:** | M.A./M.S. in Physics, Astronomy or related field |
| **Experience:** | Successful teaching experience in the field |
| **Preferred:** | Ph.D. Physics, Astronomy or related field; training and teaching experience relevant to this course; area of specialization. |

| PHYX 109 Lecture | General Physics A: Mechanics |
| PHYX 210 Lecture | General Physics B: Thermodynamics, Waves, & Optics |
| PHYX 211 Lecture | General Physics C: Electricity & Magnetism |
| PHYX 303 | Life in the Universe |
| PHYX 304 | Cosmos |

**Minimum Qualifications:**

| **Degree:** | M.A./M.S. in Physics, Astronomy or related field |
| **Experience:** | Successful teaching experience in the field |
| **Preferred:** | Ph.D. Physics, Astronomy or Physical Science; training and teaching experience relevant to this course; area of specialization |

| PHYX 303 | Life in the Universe |
| PHYX 304 | Cosmos |

**Minimum Qualifications:**

<p>| <strong>Degree:</strong> | M.A./M.S. in Physics, Astronomy or related field |
| <strong>Experience:</strong> | Successful teaching experience in the field |
| <strong>Preferred:</strong> | Ph.D. Physics, Astronomy or Physical Science; training and teaching experience relevant to this course; area of specialization |</p>

<tr>
<th>It is the responsibility of the applicant to provide complete and accurate employment information. Evidence of required degree(s), certifications(s), or licenses(s) will be required prior to the appointment date. A background check (including a criminal records check, employment verification, and education verification) must be completed satisfactorily as a condition of employment with the CSU. Certain positions may also require a credit check, motor vehicle report, and/or fingerprinting through Live Scan service. Adverse findings from a background check may affect the application status of applicants or continued employment of current CSU employees who apply for the position. All CSU employees are obligated to respond to and report incidents of sexual harassment and sexual violence. The successful candidate for this position will be mandated to receive relevant training on an annual basis. The person holding this position is considered a ‘mandated reporter’ under the California Child Abuse and Neglect Reporting Act and is required to comply with the requirements set forth in CSU Executive Order 1083 as a condition of employment.</th>
</tr>
</thead>
<tbody>
<tr>
<td>New employees hired by the CSU for the first time who first become CalPERS members on or after July 1, 2017 are subject to a 10 year vesting period for retiree health and dental benefits.</td>
